

*BEN IS A POPULAR KID AT SCHOOL.*

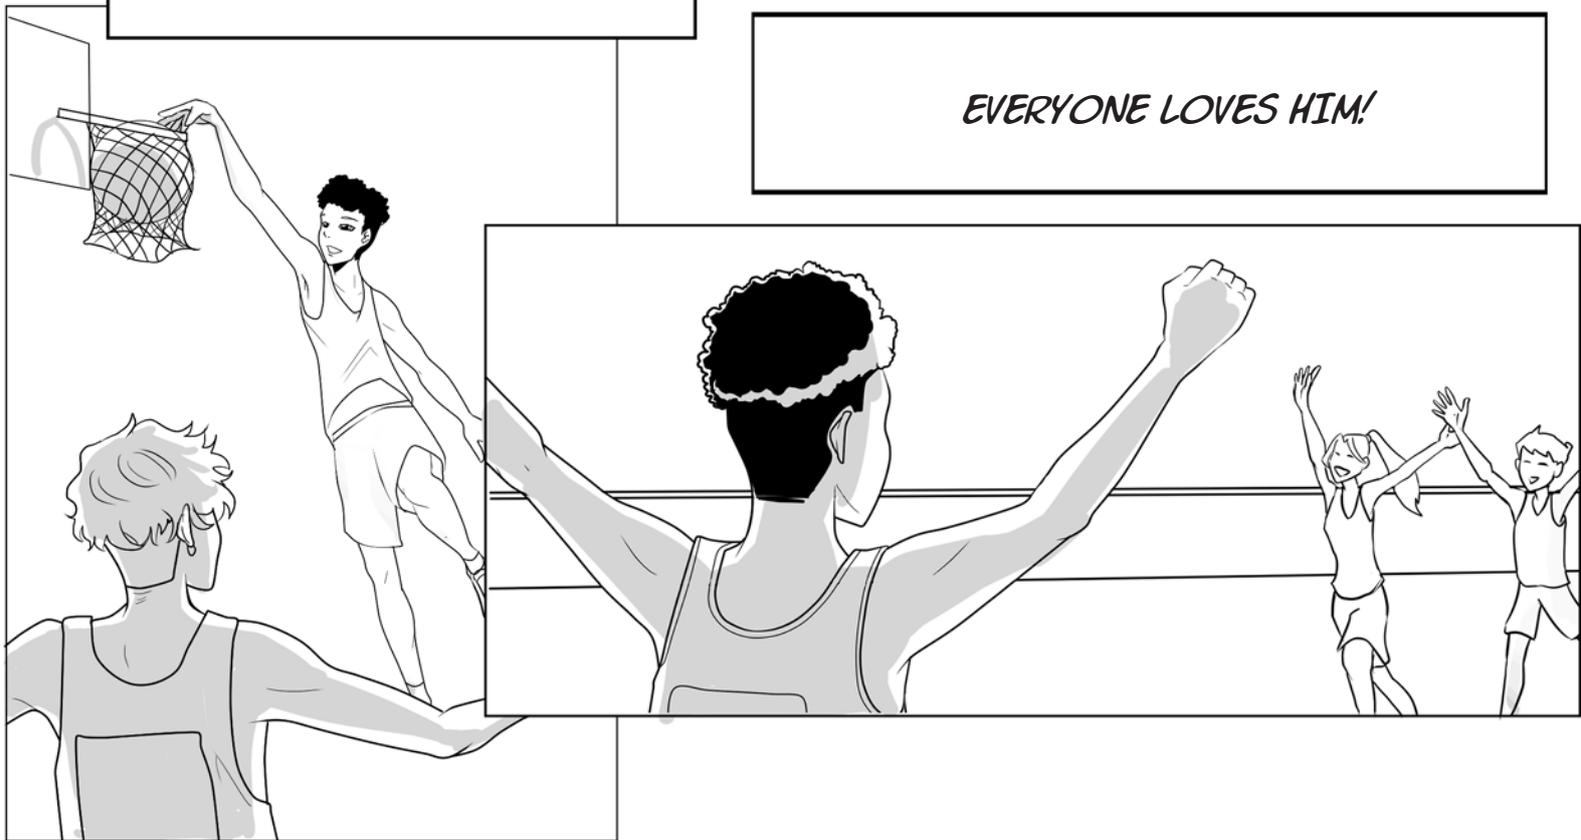

*HE IS CAPTAIN OF THE BASKETBALL TEAM.*

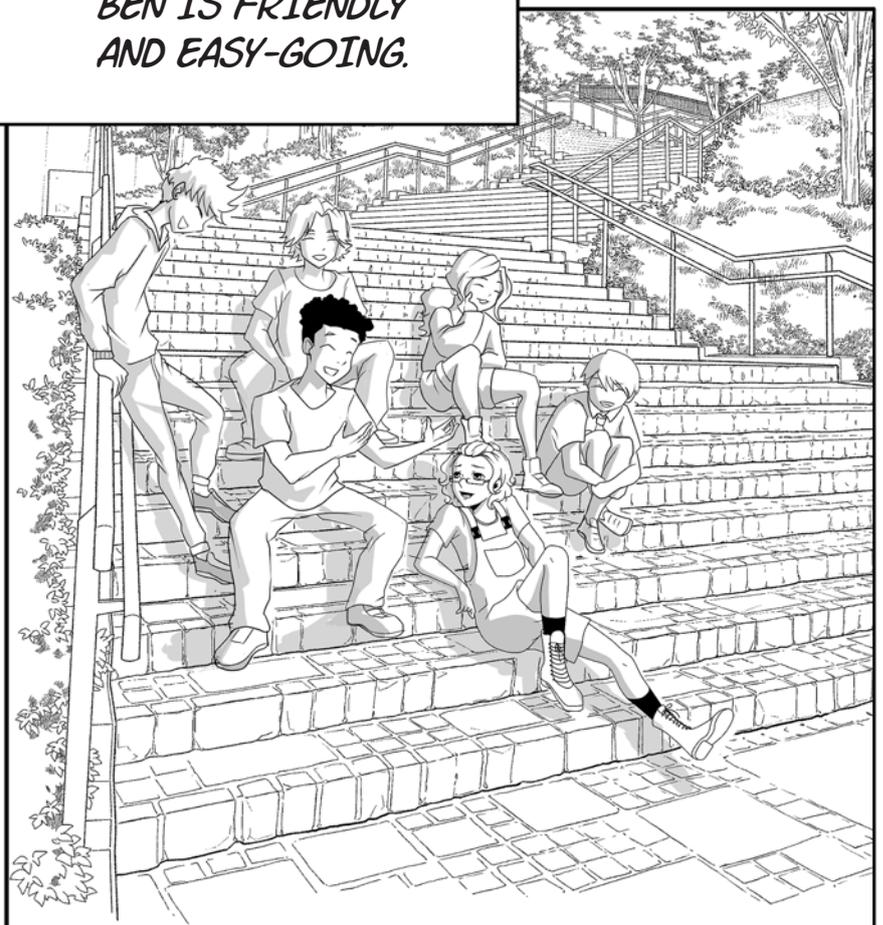

*DURING GAMES, EVERYONE ROOTS FOR HIM...*

*ON THE COURT THE OTHER  
PLAYERS CAN'T KEEP UP!*

*EVERYONE LOVES HIM!*

*IN DAILY LIFE,  
BEN IS FRIENDLY  
AND EASY-GOING.*

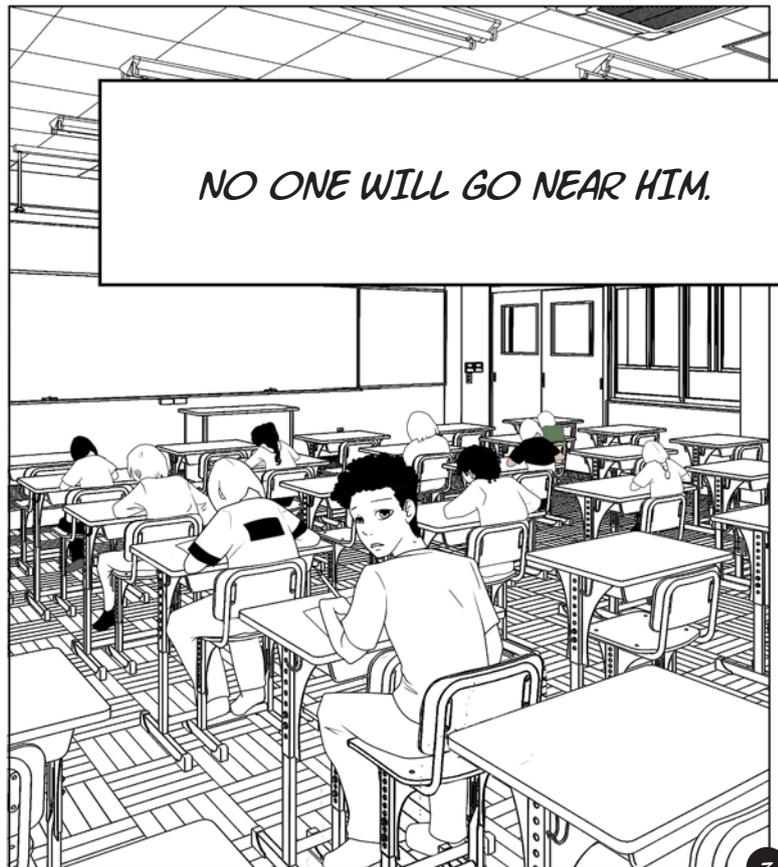

*THEN ONE DAY, EVERYTHING CHANGED.*

*NO ONE WILL SPEAK TO HIM.*

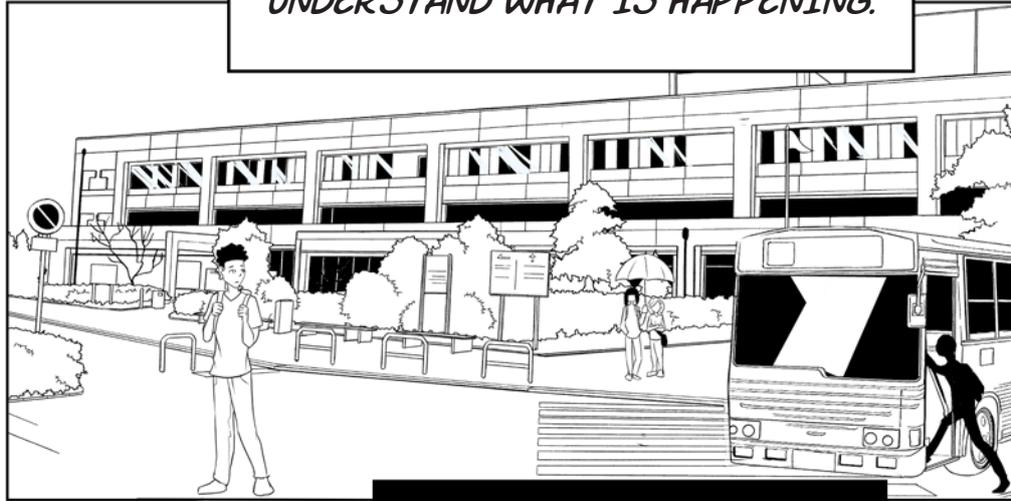

*NO ONE WILL GO NEAR HIM.*

*BEN IS ALONE, ALL ALONE.*

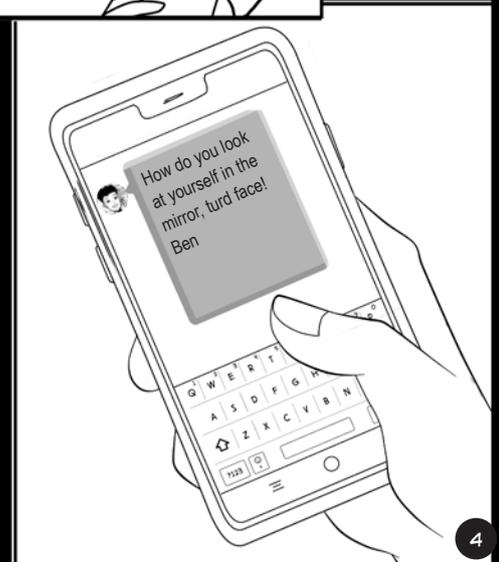

*THIS HAS BEEN GOING ON FOR A WHILE NOW AND BEN DOESN'T UNDERSTAND WHAT IS HAPPENING.*

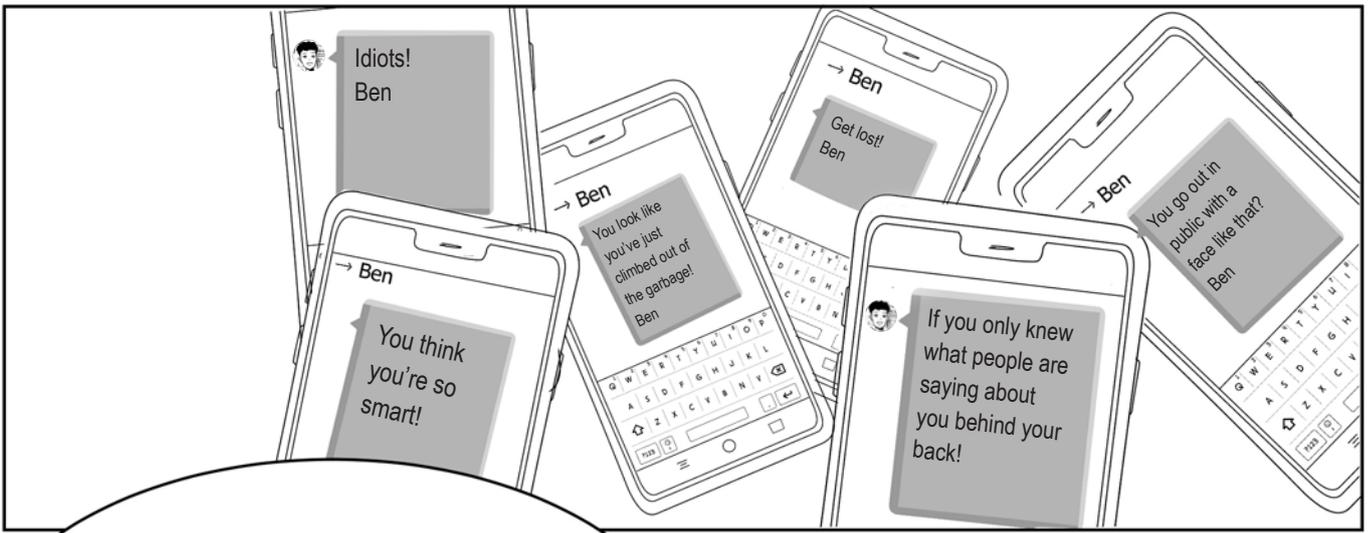

*WHAT BEN DOESN'T KNOW IS...*

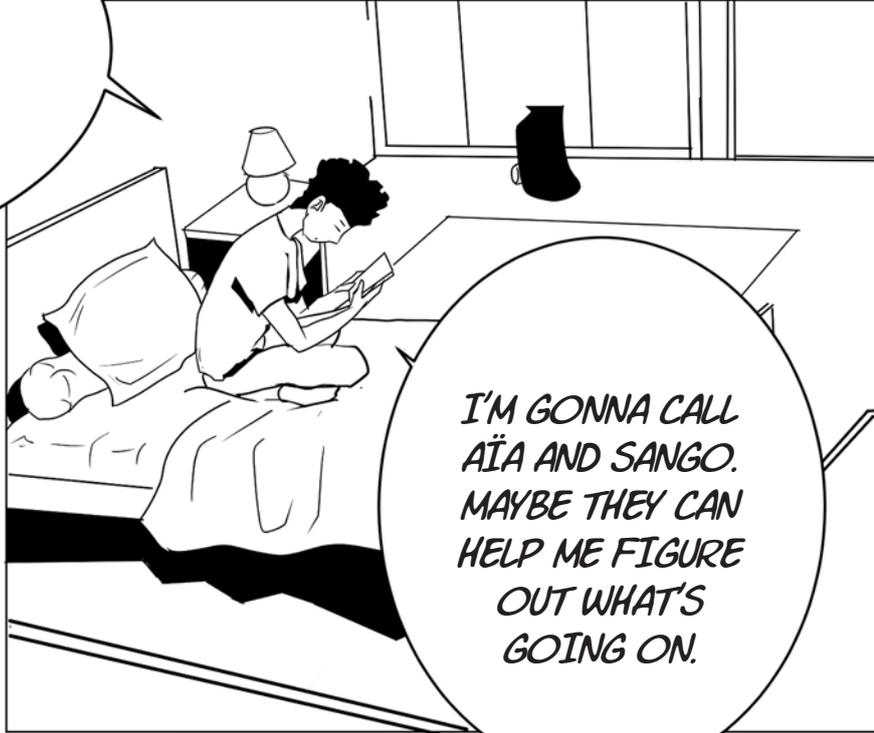

*...EVERY DAY, HIS CLASSMATES RECEIVE MESSAGES FROM HIM.*

*WHY WON'T THEY TALK TO ME ANYMORE? I DIDN'T DO ANYTHING!*

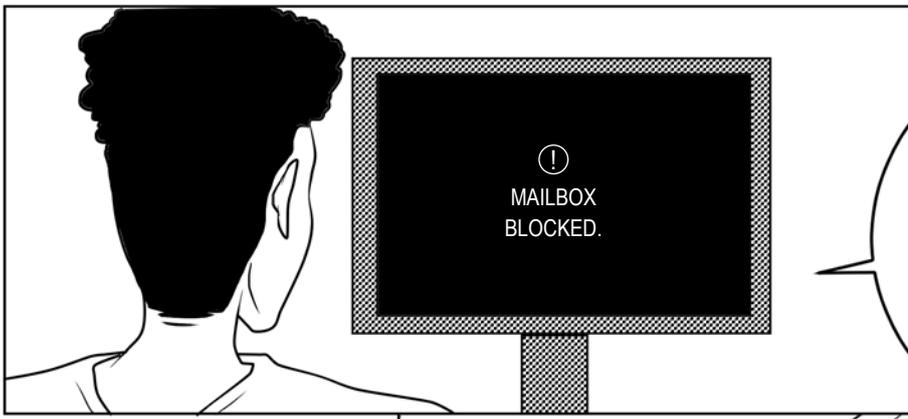

*I'M GONNA CALL AIA AND SANGO. MAYBE THEY CAN HELP ME FIGURE OUT WHAT'S GOING ON.*

*NO ANSWER!*

*MAYBE A MESSAGE...*

HMMM... LET ME TRY ANOTHER EMAIL.

I MUST HAVE FORGOTTEN MY PASSWORDS! THANKFULLY, I NOTED THEM IN MY PLAYBOOK.

WAIT... I HAD IT ON THE BUS 10 DAYS AGO.

THAT'S WHEN I KNOCKED OVER MY GYM BAG.

IT MUST'VE SLID UNDER THE SEAT AND I DIDN'T NOTICE!

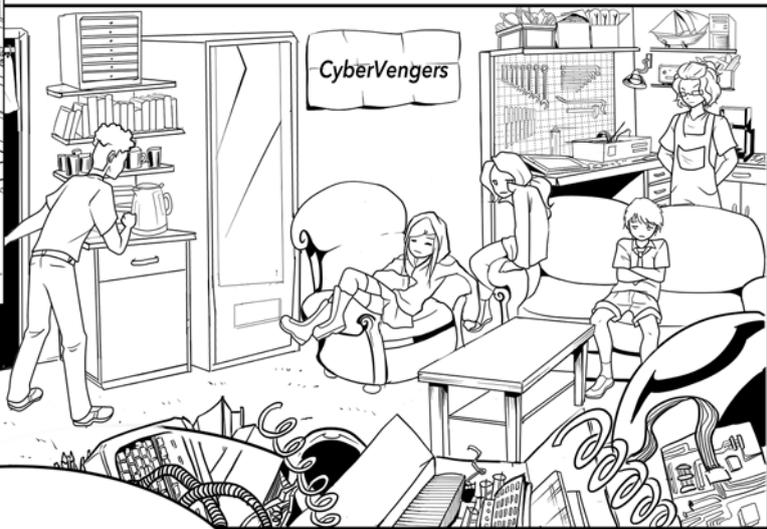

SOMEONE MUST'VE FOUND IT. AND EVERYONE'S BEEN AVOIDING ME SINCE THEN.

WHOEVER IT IS MUST'VE HACKED MY ACCOUNTS!

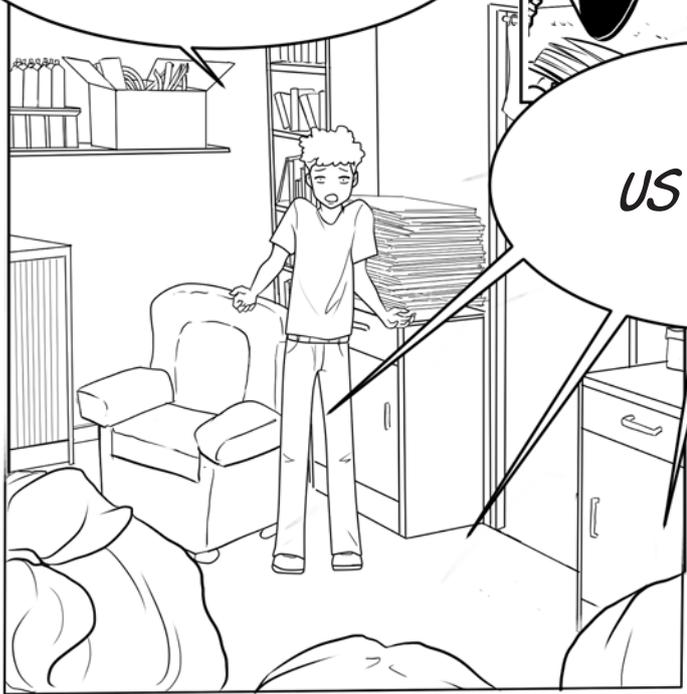

I NEED TO GO TO THE DEN AND TALK TO THE OTHERS!

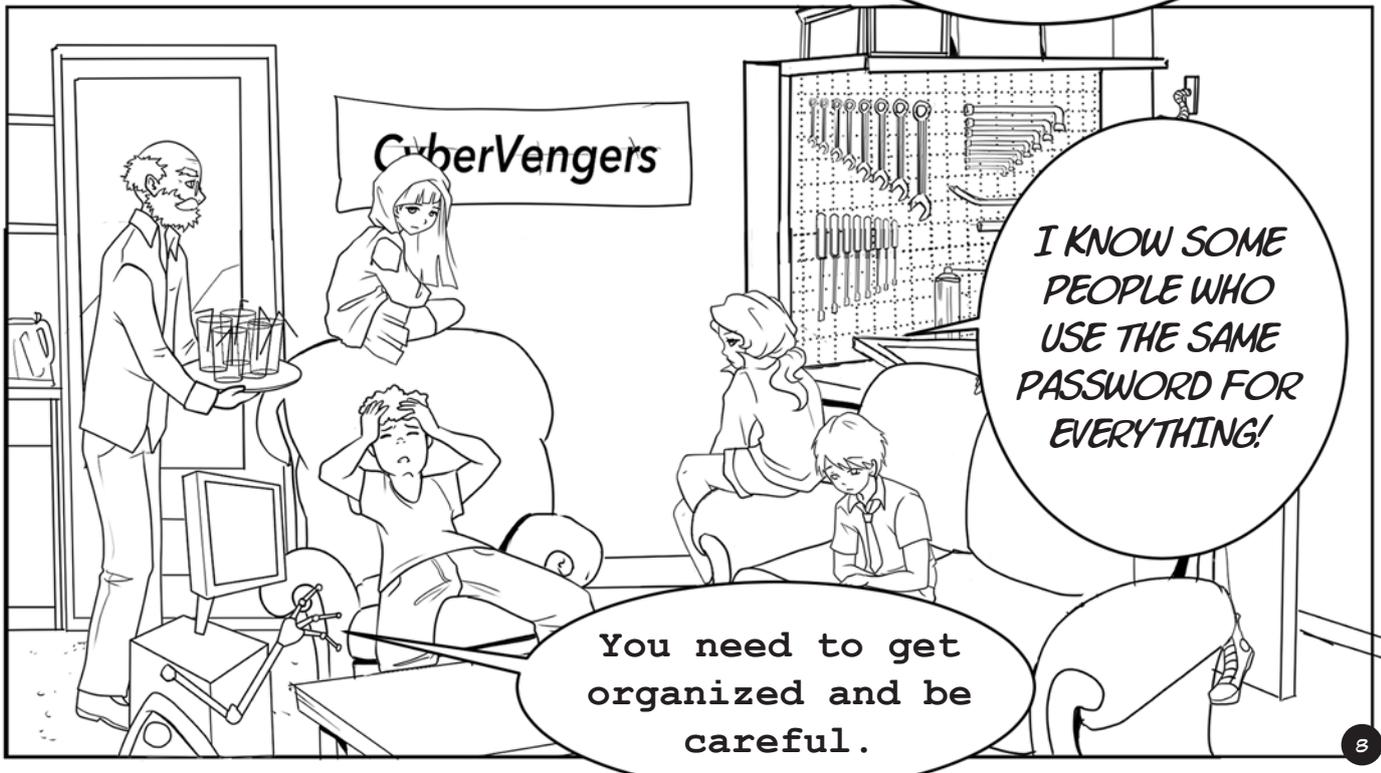

I NEED TO TELL YOU ALL SOMETHING!

US TOO!

BEN EXPLAINS WHAT HAS HAPPENED TO HIM.

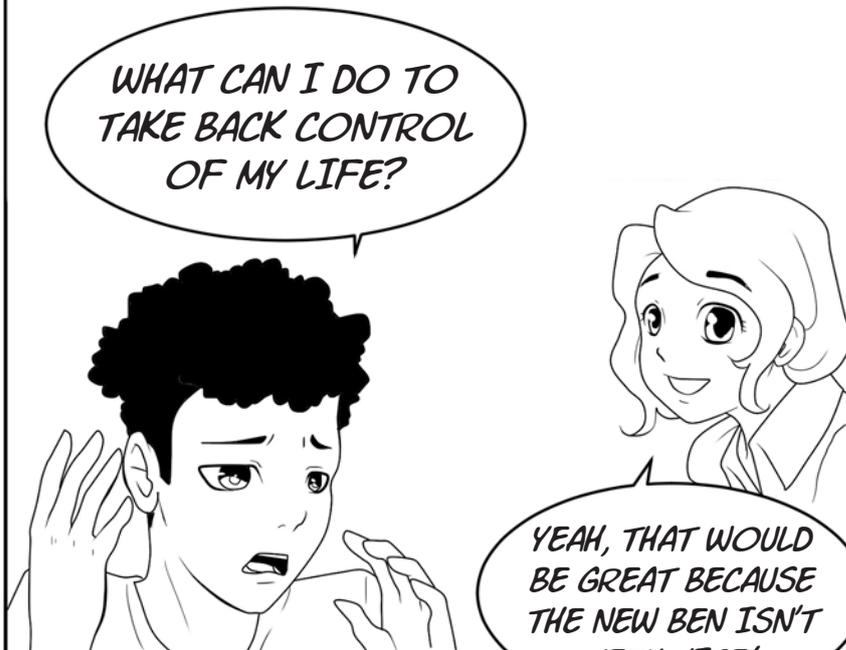

WHAT WERE YOU THINKING PUTTING ALL OF YOUR LOGIN DETAILS IN ONE PLACE?

I KNOW SOME PEOPLE WHO USE THE SAME PASSWORD FOR EVERYTHING!

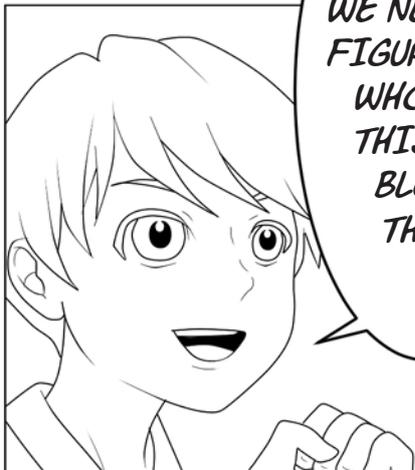

You need to get organized and be careful.

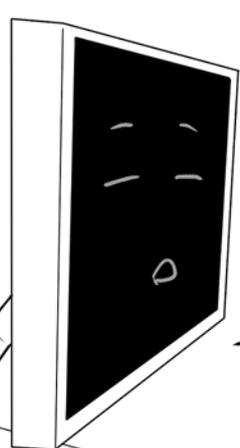

WHAT CAN I DO TO  
TAKE BACK CONTROL  
OF MY LIFE?

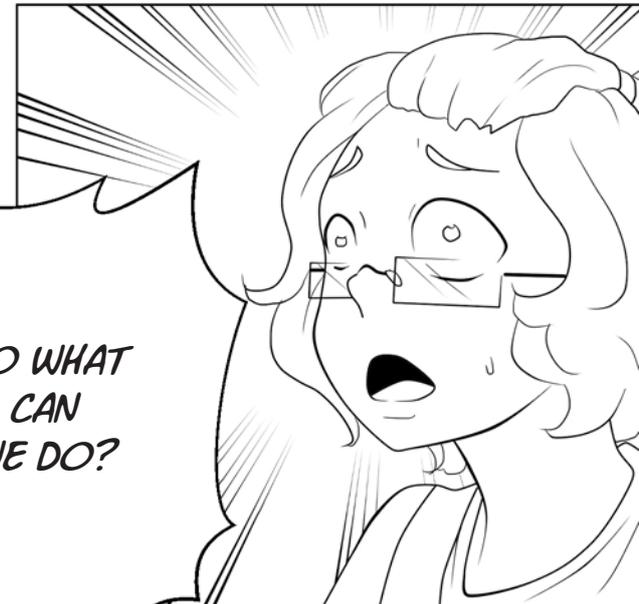

YEAH, THAT WOULD  
BE GREAT BECAUSE  
THE NEW BEN ISN'T  
VERY NICE!

WE NEED TO  
FIGURE OUT  
WHO DID  
THIS AND  
BLOCK  
THEM!

It won't  
be easy.  
These  
sites are  
super-well  
protected.  
Even I  
will have  
problems  
getting  
in.

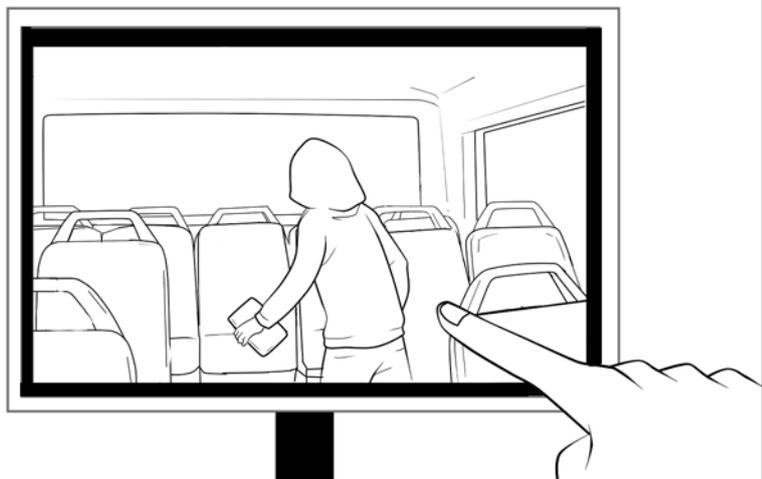

SO WHAT  
CAN  
WE DO?

I HAVE AN IDEA. ROBY,  
CAN YOU ACCESS THE BUS  
COMPANY'S SURVEILLANCE  
VIDEO ARCHIVES FOR  
THAT ROUTE?

EASY!

*IT'S HIM!  
I RECOGNIZE  
HIM. HE TAKES  
THE SAME BUS  
AS ME EVERY  
DAY!*

*OKAY,  
NOW WHAT?*

*STEALING AND  
USING SOMEONE  
ELSE'S IDENTITY ON  
SOCIAL NETWORKS  
OR ELSEWHERE*

*IS A  
SERIOUS  
OFFENCE.  
BEN, TONIGHT,  
YOU'VE GOTTA  
TALK TO YOUR  
PARENTS.*

## Tips to avoid being hacked and having your identity stolen.

### NEVER

- Choose the same password for all your online accounts.
- Make up a password with your personal information (first name, date of birth, pet's name...).
- Share your passwords, even with a friend.

### ALWAYS

- Create a strong password with a personalized secret code for each site. Strong means hard to guess. Your password can be based on a phrase you memorize and add numbers and special characters, like & or #.

Example: use the first letter of each word of a phrase you know by heart, like «It is so stupid to get hacked» and then add a symbol and a number, to get: «liSsTgH&1ti». This is a very good password. You can personalize it further by adding the first two letters of the site where you are registering, that way you know it is only for that site.

And if these tips aren't enough...

CyberVengers

Gather all the proof you can and go to the police.

A FEW DAYS LATER...

SO?  
HOW'D IT GO?

IT TOOK SOME  
DOING TO GET HIM  
TO CONFESS.

YES, HE HAD TO PUT IN ALL THE PASSWORDS IN FRONT OF THE PRINCIPAL AND THEN I CHANGED THEM.

AND YOU'RE BACK INTO ALL YOUR ACCOUNTS NOW?

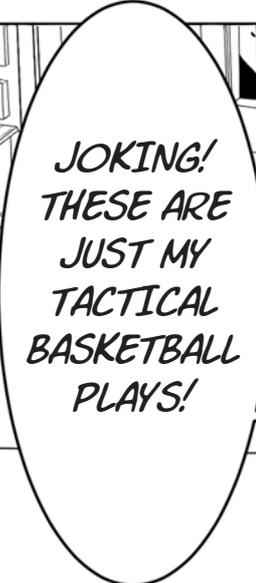

YES, AND OF COURSE I WROTE THEM ALL DOWN HERE.

AND THEY'RE ALL DIFFERENT THIS TIME?

NO BEN, NOT AGAIN!

JOKING! THESE ARE JUST MY TACTICAL BASKETBALL PLAYS!

AND NOW YOU'RE ONLY GOING TO SEND US SWEET MESSAGES, RIGHT?

NAH, I THINK I'LL KEEP BEING MEAN. I LOOOOVE NOT HAVING ANY FRIENDS.

NO WAY!

NO, I'M JUST KIDDING. I'M GONNA SEND A MESSAGE EXPLAINING WHAT HAPPENED. GOTTA RUN, I'VE GOT A WORKOUT, BUT I'M SUPER HAPPY TO HAVE MY FRIENDS AGAIN! BYE!
